You will learn:

- The two approaches to parenting.
- How to discipline without arguing, yelling or smacking
- How to handle kids testing behaviour
- How to teach and encourage positive behaviour, social skills and independence.
- How to control obnoxious behaviour.
- How to show empathy while developing emotional intelligence in your child.
- How to strengthen the relationship with your child.

What people are saying...

- "An end to the yelling and arguing! "
- "It saved our lives"
- "Simple, sane, effective"
- "What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember at those times when memory is the first thing to go."
