Dear parents and care givers

Please note that Northam Primary starts back on Monday of term 4, we do not have a pupil free day.

Interschool Athletics

Congratulations to everyone who participated as part of our Interschool Athletics Team last Friday. It was wonderful for over 80 of our students to be able to represent the school with great sportsmanship. Thank you to our staff that assisted the students and also helped to run a successful carnival.

Room Changes

For Term 4 we will be trialling teaching our year 6 cohort very differently to prepare them for their transition to high school. The students will move between room 4 and 13 each period and also work together as a whole team for certain subjects and preparations for their leaving ceremonies at the end of the year. Letters have been sent home to families from Room 4 & 13 explaining this further.

Head Lice

As the weather has warmed up we have seen an increase in cases of head lice at school. Holidays are an excellent time to check for any lice or eggs, treat children's hair in a 7 day cycle to ensure all lice and eggs are removed. If your child has eggs in their hair, here's a good tip on how to get them out: Use a cup of really runny conditioner mixed with half a cup of eucalyptus oil, put onto dry hair and then leave wrapped in a plastic bag for 30 minutes, when you comb the eggs out they will come out more easily as the eucalyptus oil helps to break down the glue that holds the egg to the hair shaft. Remember it is also a really good idea to wash bedding, clothing, hats and hair brushes and hair ties. If families take the coming holidays to be vigilant about head lice we will all be helping each other to have fewer cases in Term 4.

Farewell

The staff and students would like to take this opportunity to wish Mrs French all our affection on the pending arrival of her baby, due early next term. Thank you Mrs French for being our Room 4 teacher this term! We are also aware that a few of our families are moving out of Northam over the holidays, we hope these students enjoy their new schools.

Welcome

We would like to welcome Tara Sookee and Violeta Mitic to Northam Primary who have joined our permanent cleaning staff. We would also like to note that Mr John Rowbottom will be staying with us as our temporary gardener until the end of term 4.

Thank you

We would like to thank Mrs Kelly Beard who has been doing relief in our library while Mrs Hayes has been on leave. Thank you Mrs Beard, you have done a great job and we enjoyed having you with us.

Happy holidays

Term 3 has been busy with many incursions and excursion and Term 4 is always fast paced and full of activities. We hope families have planned some nice time for students to rest and revitalise ready for the last term of 2018. Have a wonderful holiday.

SEDA Incursion

NPS was pleased to welcome SEDA last week to provide a football clinic to all our students. The day was a great success, the SEDA team did an excellent job providing our students a safe, inclusive and highly engaging program; on behalf of Northam Primary, we would like to thank them for their hard work and effort.

Room A Term 3 Wrap up

Room A have had an absolute blast learning about space this term. Last week we set out to design our own rockets. First, we created a balloon zip line rocket and tested out what would happen if we blew up our balloon bigger or smaller. Then, we each made our own straw rockets and experimented how to get them to go as high as possible. After all we've learned this term we're well on our way to being the next generation of space cadets that's for sure!

Breakfast Club

We are getting between 30-40 students each morning now with the largest number of children attending reaching 41! The students appear to be enjoying coming in for a chat and something to eat in this social setting. A reminder for bus students, if you're hungry when you get to school pop into Breakfast Club for a top up!

We would like to give the Angwin family a big thank you for their kind donation to Breakfast Club of bread, which we are now chomping through very quickly. Also, we would like to say thank you to Ursula Stain for all her help this term as a volunteer. If other parents would like to volunteer in the morning, please see Rachael Flint next term.

Thank you to all the students who come in and show us their best manners and behaviour with the other students and teaching staff. Next term Breakfast Club will re-commence on Tuesday of the first week.
